

GLOBAL LANGUAGE SYSTEM LLC

Quality – Accuracy -Excellence

CAPABILITY STATEMENT

COMPANY OVERVIEW

Global Language System LLC is full range language services provider founded in 2014. We provide language translation, interpretation, localization, and transcription services. Our mission is to help organizations and individuals breaking the communication gaps.

CORE COMPETENCIES

Global Language System can assist your organization to accomplish its mission. Our professional language services will help your agency to serve its limited English proficient (LEP) customers better. Our core services include but are not limited to:

- **Transcription:** We provide accurate and affordable audio and video transcription at a reasonable price. We take audio or video files and transcribe them quickly. Our turn-around time is quick and fast.
- **Interpretation:** We offer simultaneous, consecutive, over the phone interpretation, and voiceovers.
- **Translation:** We cover translation of a written, electronic and multi-media material to and from English and foreign languages. Materials include but are not limited to: Business, Legal, Medical, Technical, Finance, etc.
- **ASL American Sign Language Interpretation:** We provide American Sign Language (ASL) to Deaf and Hard-of-Hearing individuals
- **Localization:** We provide localization for Internet and Intranet, video subtitling, and captioning.

Our translators have a proven record of translation and interpretation in their pair languages. Global Language System is bringing only native and near native speakers in each language pair. We maintain a vast network of professional translators and interpreters in all major standard and exotic languages.

DIFFERENTIATORS

Our core values of **Excellence, Quality and Accuracy** are what make us who we are. Our Business model helps us to maintain a competitive edge by:

- Providing language service of exceptional quality.
- Assuring fast turnaround on every project.
- Maintaining competitive prices.

Our Process of translation and interpretation are designed to bring value and quality to our customer’s needs. Our technology advantage empowered by our strategic partnership with Genesys Telecommunication Labs for our cloud-based interpretation call center made us a virtual and agile company without a lot of overhead costs.
