

# Department of Defense SBIR/STTR Funding

Attend this session to learn about the \$1 Billion in R&D funding available for innovative technologies via the Department of Defense Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs.

The seminar will introduce attendees to the DoD SBIR/STTR programs and share key success factors from speakers from the Army Research Office, a DoD awardee and SBIR advisors from the SBTDC.

There is no cost to attend this session, but pre-registration is required as seating is limited.
