

Improve performance

Strategic Organizational Assessment

Focus your time and resources on your most critical items. The SBTDC can help you identify and prioritize issues and develop appropriate actions that support your business's growth. Our organizational assessment examines eight key management areas.

1. Vision/Strategy
2. Developing Products/Services
3. Marketing/Sales
4. Delivering Products/Services
5. Managing Customer Service
6. Managing Human Capital
7. Knowledge/Information Management
8. Financial
